

As those of you who came to my talk at the club know, I am a longarm quilter based in Shipston on Stour and I would like to extend a 10% discount to all Kingfisher Quilters on Edge 2 Edge (E2E) longarm quilting services in 2021.

I am currently accepting quilts by contactless, doorstep drop off or post, with the design consultation taking place by email or phone. I will be happy to accept quilts at meetings, by prior arrangement, when they resume. Wadding and backing is available too or you can supply your own.

If you are interested in finding out more then do get in touch by phoning me on 0773 908 1463 or emailing cutandalter@gmail.com and quote KFQUILTER10

I have just launched a new website so you will find lots more information on there.

<https://www.cutandalter.com/>

Thanks very much 😊
